2024-2025

OUR MISSION:

Afrikids, Inc. is a US-based nonprofit helping to improve the lives of underprivileged youth and their families in the Arusha region of Tanzania.

Afrikids has done backpack drives, sold bracelets, and raised money to help young children in Tanzania to afford a better education.

ART & mixed media CLUB

01

Why join?

Our intention is to design an environment for students who have not had the opportunities to take part in art classes or are intimidated by the grading curriculum. This club is a safe space for all artists to create to their heart's content – with critiques to take part in if an artist wishes to receive suggestions on how to improve their skills. From digital art to charcoal, the Art/Mixed Media club will support their members with a variety of tools to help create, design, and study!

Activities and Requirements

Partnering with other clubs and community organizations, PTS students are able to shine and connect with one another while also creating a trusting community which works towards benefitting others who may not have the same opportunities. We also participate in art and creativity themed community service projects outside of Palmer Trinity, to help spread the enjoyment of art through Miami.

03

Requirements and info!

1. There is a small due of 5\$ to join
2. You must send examples of your art to agodley25@palmertrinity.org or halexe25@palmertrinity.org to become a member. We want to really make this a serious artistic community!
3. There is a minimum of 1 service hour per semester and 2 participations in critiques per year to remain in the club.
